

EXHIBIT RELEASE PROCEDURE

LIVESTOCK BARNs

All vehicles picking up livestock will park in the Over Flow Parking Lot (East Side of Road) off of the North end of Bishop Street. No vehicles will be allowed to exit this parking lot until they are released by a Fair Board Member after 6:00 p.m. All vehicles will be required to have a species-specific card and must receive permission from the Fair Board member to enter the Fairgrounds. Once released from the Over Flow Lot, vehicles and trailers will travel South on Bishop Street and enter the Fairgrounds at Gate #5. Once inside the gate, turn right prior to the Poultry Barn to head West down Livestock Avenue. You will be loading on the North side of most of the barns with the exception of the Beef barn which will be on the South side. Once you have loaded all of your animals and equipment, you must exit out of Gate #2 to head home. NO ONE will be allowed to park on Bishop Street or Fairview Drive. If we get an abundant amount of rain, we will look into parking along the North side of Douglas Drive and then on the West side of County Road E to Hwy 23. NO ONE will be allowed to park anywhere on Highway 23.

OPEN DIVISION

Non-animal exhibits will be released on Monday at 6:00 p.m. by entering Gate # 1. If you remove your exhibit prior to 6:00 p.m., you will forfeit your premium. For those who must bring their vehicle to the exhibit building for loading, release will be on Tuesday following the Fair, from 8:30 a.m. THRU 6:00 p.m. Security will be provided for all exhibits that remain on Monday evening. Any non-animal exhibits that are not claimed within a week after the fair, will be discarded.

We hope this will not inconvenience anyone. With everyone's help in understanding and consideration for others, this should prove less frustrating and safer than the procedure previously tried.
